

We have curated a list of wines and sakes from predominantly small growers who care deeply about their creations, as we do. Each has a poignant story, which brings our list to life.

Many of the wine and sake makers are personal friends of Flat Three and so the pairings we create are truly collaborative.

SINE QUA NON

Considered some of California's most iconic wines, SQN unapologetically embodies the terroir of their Santa Barbara estates: Cumulus, Eleven Confessions (Sta. Rita Hills), The Third Wind (Los Alamos), and Molly Aida (Tepusquet Canyon). Bold + adventurous, Manfred Krankl creates wines from late picked grapes with generous alcohol and intense colours but still remain elegant and nuanced.
